This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

IN THE CITY OF NEW YORK.

LAWS
Relative to Public Instruction
IN THE
CITY OF NEW YORK.

An Act relative to Common Schools in the City of New York.

Passed April 25, 1864.

The People of the State of New York represented in Senate and Assembly, do enact as follows:

SECTION 1.—The city of New York is hereby divided into seven School Districts, as follows:

First District—First, Second, Third, Fourth, Fifth, Sixth, and Eighth Wards.

Second District—Seventh, Tenth, Thirteenth, and Fourteenth Wards.

Third District—Ninth and Sixteenth Wards.

Fourth District—Eleventh and Seventeenth Wards.

Fifth District—Fifteenth and Eighteenth Wards.

Sixth District—Twentieth and Twenty-first Wards.

Seventh District—Twelfth, Nineteenth, and Twenty-second Wards.

§ 2. At every charter election in the said city, there shall be elected in each School District one Commissioner of Common Schools, who shall take office on the first day of January next after his election, and hold office for the term of three years; and there shall also be elected in each Ward one Trustee of Common Schools, who shall take office on the first day of January next after his election, and hold office for the term of five years; and no School Officer shall hereafter be elected or appointed in the said city except as provided by this act, and no person shall at the same time hold more than one school office.

§ 3. On the second Wednesday in January, one thousand eight hundred and sixty-six, the Mayor of the city shall nominate to the Board of Education one person for each School District, as a Commissioner of Common Schools, and the said Board shall appoint or reject each of the persons so nominated. If any of them shall be rejected, the Mayor shall make a new nomination, and shall continue to nominate until seven shall be appointed by the Board. The persons so appointed shall hold office until the first day of January, one thousand eight hundred and sixty-seven.

§ 4. On the third Wednesday in November

in every year, the Mayor of the city shall nominate to the Board of Education one person for each School District as an Inspector of Common Schools in the District, for the term of three years from and after the first day of January then next. The Board of Education shall, on the first Wednesday in December, vote, by yeas and nays, upon the appointment of each of the persons nominated; and every person who shall receive the affirmative votes of a majority of the whole Board shall be appointed. If any of the persons so nominated shall fail to receive the votes of a majority of the whole Board, the Mayor shall make a new nomination, and shall continue to nominate until an appointment shall be made for each District, in the manner and for the term prescribed in this section.

§ 5. If, on the second Wednesday in January next, there shall be in any School District more than two Inspectors of Common Schools in office by popular election, the Board of Education shall select two of them, and such of the said Inspectors as are not selected shall immediately cease to hold office. After such reduction in the number of Inspectors has been made, the Board of Education shall select by lot one of the two Inspectors in each District in office, by popular election, and the Inspector selected shall be an Inspector for the Dis-

trict, and shall hold office until the expiration of the term for which he was elected, and the Inspector not selected shall cease to hold office unless the Board of Education shall appoint him an Inspector for the District, in which case he shall hold office until the thirty-first day of December, one thousand eight hundred and sixty-six.

§ 6. Vacancies in school offices shall be filled as follows: If there shall be less than three Commissioners or three Inspectors in any District, every vacancy shall be filled, in the case of a Commissioner, until the same can be filled at a charter election, and in the case of an Inspector, for the unexpired portion of the term in which the vacancy exists, in the manner provided by this act for the appointment of Inspectors; and if there shall be less than five Trustees in any Ward, every vacancy shall be filled by the Mayor and a majority of the Inspectors for the District in which the Ward is included, until the same can be filled at a charter election. Every vacancy in the office of a Commissioner or Trustee, occurring more than ten days previous to any charter election, shall be filled at the next charter election for the unexpired portion of the term in which the vacancy exists.

§ 7. The elections held by virtue of this act shall

be subject to the same laws and regulations in all respects, so far as the same may be applicable, as those which govern the charter elections in said city; but the ballots for School Officers shall be endorsed "School Officers, No. ," and deposited in a separate box. Every person voted for to fill a vacancy in a school office, shall be designated in the ballots by the words, "To fill a vacancy," written or printed immediately over his name, or, if there be more than one vacancy to be filled, the persons to be voted for shall respectively be designated by the words, "To fill vacancy of years."

§ 8. Every School Officer shall, at the time of his election or appointment, be a resident of the District or Ward for which he is elected or appointed, and every Trustee removing from the Ward for which he is elected or appointed, and every School Officer removing from the city shall thereby vacate his office.

§ 9. The Board of Education shall be judges of the election and qualification of its members.

§. 10. Every person elected or appointed to a school office, in said city, shall, before entering on the duties of his office, and within fifteen days after the commencement of the term for which he is

elected, or from the time of being notified of his appointment to fill a vacancy, take and subscribe, before the Clerk of the Board of Education, the oath of office prescribed by the Constitution of this State, and the school office to which any person who shall omit to take the said oath within the time and in the manner above prescribed, may have been elected or appointed, shall be vacant at and from the expiration of the said fifteen days.

§ 11. The first section of an act entitled, "An Act to amend, consolidate, and reduce to one act, the various acts relative to the Common Schools of the city of New York," passed July third, eighteen hundred and fifty-one, and so much of all other acts heretofore passed as is amendatory of the said section, are hereby repealed; but this section shall not affect the continuance in office of the present School Officers, nor their powers or duties.

majority of the whole number in office were present. Other teachers, and also janitors, shall be appointed by a majority of the Trustees for the Ward at a meeting of the Board of Trustees, Any teacher may be removed by the Board of Education upon the recommendation of the City Superintendent, or of a majority of the Trustees for the Ward, or a majority of the Inspectors for the District. The Board of Trustees for the Ward, by the vote of a majority of the whole number of Trustees in office, may also remove teachers employed therein other than Principals and Vice-Principals, and may also remove janitors, provided the removal is approved in writing by a majority of the Inspectors of the District, and provided further, that any teacher so removed shall have a right to appeal to the Board of Education, under such rules as it may prescribe, and the said Board shall have power, after hearing the answers of the Trustees, to reinstate the teacher.

[Sections 13, 14, 16, 17 and 19 of this Act, are solely amendatory of the Act of 1851, and the amendments are embodied in that act.]

§ 15. Until the first day of January next, the Inspectors of Common Schools shall have the powers and duties now conferred upon them by law, except

that the signature of one Inspector shall be sufficient to audit any bill or claim.

§ 18. § 15. The said Board of Supervisors shall annually raise and collect, by tax upon the inhabitants of the said city and county, a sum of money equal to the sum specified in such notice, at the time and in the same manner as the contingent charges of the said city and county are levied and collected; also a sum of money equal to one twentieth of one per cent. of the value of the real and personal property in said city liable to be assessed thereon, and pay the same into the city treasury, to be applied to the purposes of Common Schools in said city; and the Board of Education shall apportion the money so raised to each of the schools hereinafter provided for by this act, except the Free Academy and the Evening Schools, according to the number of children over four and under twenty-one years of age, who were actual residents

§ 17. If any of the said newly organized Ward Schools, by reason of peculiar circumstances, shall be equitably entitled to a larger sum than they

And the Board of Education shall in all cases certify to the Common Council the cause of such deficiency, and that the same was unavoidable; and unless such certificate shall be made, the said Common Council may refuse to raise the sum required to meet such deficiency.

§ 20. The Board of Education shall require from the Executive Committees conducting schools by appointment of the Board, and from the Trustees, Managers or Directors of the Corporate Schools entitled to participate in the apportionment

And in making the apportionment among the several schools, no share shall be allotted to any school or society from which no sufficient annual report shall have been received for the year ending on the last day of December immediately preceding the apportionment.

§ 21. Whenever an apportionment of the public money shall not be made to any school, in consequence of an accidental omission to make any report required by law, or to comply with any other regulation or provision of law, the Board of Education may, in its discretion, direct an apportionment to be made to such school, according to the equitable circumstances of the case, to be paid out of the public money on hand ; or, if the same shall have been distributed, out of the public money to be received in a succeeding year.

All needful supplies of fuel for the several schools shall be furnished under the direction of the Committee on Supplies, upon the requisition of the Trustees of the several Wards, who shall make, in writing, such requisitions, according to the actual annual wants of the schools, and file the same with the Clerk of this Board, on or before the first day of July in each year.

COMMITTEE ON SUPPLIES TO MAKE ANNUAL REPORT OF BOOKS, ETC., DELIVERED TO SCHOOLS.

§ 142. The Committee shall make a detailed statement to the Board annually, in the month of January, of their transactions for the year, giving the amount of purchases, the value of the stock on hand, per inventory, the amount of supplies furnished to each school and Ward, and the cost per scholar of the same, together with a statement of the aggregate cost of supplies, as compared with the previous year.
